

JAN TRNKA

Professor & Head of Department

@ jan.trnka@lf3.cuni.cz

Prague, Czech Republic

0000-0002-1786-7562

ResearcherID: B-8951-2012

CURRENT POSITION

Professor, Department of Biochemistry

Third Faculty of Medicine, Charles University

2024–Present

Prague, CZ

Head, Dept. of Biochemistry, Cell and Molecular Biology

Third Faculty of Medicine, Charles University

2017–Present

Prague, CZ

Group Leader, Laboratory for Metabolism and Bioenergetics

Third Faculty of Medicine, Charles University

2010–Present

Prague, CZ

EDUCATION

MSc in Medical Education

Karolinska Institutet

2015–2017

Stockholm, SE

Dissertation: Increasing student autonomy in medical education

MPhil in History and Philosophy of Science, Tech and Medicine

University of Cambridge

2008–2009

Cambridge, UK

Dissertation: Scientific orthodoxy and heresy

PhD in Biochemistry

University of Cambridge

2004–2008

Cambridge, UK

Thesis: Mitochondria-targeted antioxidants and spin-traps

MD in Medicine (*summa cum laude*)

Third Faculty of Medicine, Charles University

1997–2004

Prague, CZ

PREVIOUS POSITIONS

Senior Lecturer, Department of Biochemistry

Third Faculty of Medicine, Charles University

2010–2017

Prague, CZ

Researcher, Department of Nutrition

Third Faculty of Medicine, Charles University

2009–2017

Prague, CZ

Lecturer, Department of Biochemistry

Third Faculty of Medicine, Charles University

2009–2010

Prague, CZ

ACADEMIC SERVICE

- Dean, Third Faculty of Medicine (2026–Present)
- Vice-Dean for Development, Third Faculty of Medicine (2022–2026)
- Member of the Scientific Council, Third Faculty of Medicine (2018–Present)

RESEARCH INTERESTS

Mitochondrial Biology

Cancer Biology

Bioenergetics

Mitochondrial Pharmacology

Cellular Metabolism

Metabolic Cooperation

Oxidative Stress

Bayesian Modelling

BIBLIOMETRY

- Total Citations: 1569
- h-index: 20

TEACHING

- Integrated Subject Coordinator, Cellular Basis of Medicine, Third Faculty of Medicine (2017–Present)
- Master's & Doctoral Supervision, Third Faculty of Medicine (2010–Present)
- Lectures and Seminars in Medical Biochemistry, Cell Biology, Molecular Pharmacology, and Pathology, Third Faculty of Medicine (2009–Present)
- Undergraduate Course: Methodology of Science, Third Faculty of Medicine (2016–2020)
- Undergraduate Supervisions: Molecules in Medical Science & Mechanisms of Drug Action, University of Cambridge (2005–2009)

AWARDS & SCHOLARSHIPS

- Platinum Syllaba Chalk (2022) – Best Teacher Award, Third Faculty of Medicine
- Syllaba Chalk Best Teacher Award, Third Faculty of Medicine (2014, 2017, 2019, 2020, 2021)
- Gates Cambridge Scholarship, University of Cambridge – MPhil & PhD (2004–2009). First ever awardee from CZ.
- Hlávka Award (2004) – Best Graduates of Charles University
- Margaret Bertrand Award (2004) – Best Graduate, Third Faculty of Medicine
